

## 《重庆有意引进大陆第二个迪斯尼乐园》

导读:西南城市重庆正在积极筹备大陆第二家迪斯尼乐园承建资格的竞标，本次迪斯尼公司是面向华中和西部进行的招标。

Southwestern China's Chongqing is actively preparing to win a bidding to host the second Disneyland in the Chinese mainland, which Disney eyes in central and western China.

??

Before the construction of the Shanghai Disney Resort, the Disney Group has clarified in its agenda a blueprint for a new theme park in central and western China, said the municipality's foreign trade and economic relations commission on the municipality government website this Monday, Chongqing Evening News reported.

??

"We attached great significance to Disney's project in western China. Currently, we are actively preparing for a project to participate in the bidding. We believe that Disney's new project will undergo comparison and assessment during the competition for the site selection. It is possible that our municipality will receive the project," the commission added.
